

Columbus K of C Diocesan United States Military Veterans Affairs Hospital Program July 2013

There is both Chillicothe Veterans Affairs Medical Center, and Columbus Chalmers P. Wylie Ambulatory Care Center, where The Knights of Columbus is represented on the Volunteering Services Committees. At meetings and on the websites, we know specifically what donations of material goods, and what volunteer positions to serve The Country through Veterans Affairs, are needed.

My gratitude to Greater Columbus Chapter Councils and Assemblies who gave during the 2012-2013 fiscal year. Parishes in greater efforts were included to help the Hospitalized US Military Veterans. These efforts, by permission, acquired goods for a Knights of Columbus US Veterans Holiday Event. Grand Knight and Faithful Navigator, I ask you to include this effort and Event in your distinct plans. The Date is Saturday October 26th 2013 at 10:30 AM at Building 9 on Chillicothe Veterans Affairs Campus 17273 State Route 104; 45601. Following are ways to contribute to this traditional program.
